A shepherd in Palestine left the comforts of the town to live in the desert with his sheep. He shared the dangers and difficulties of desert life, caring for the sheep. On this Good Shepherd Sunday we place ourselves in the care of the Risen Christ who comes to share our human lives.

Children’s Activities
We welcome all children to Great St Mary’s. There are things at the entrance area of the church to help children to participate in our worship.

WIDER CONCERNS EASTER ENVELOPE COLLECTION
The Ntunungwe School in rural Zimbabwe gives many orphans shelter and education. Floods have led to food shortages and soaring prices, at a time of severe economic crisis in Zimbabwe. The school greatly values our support which makes a real difference for the children.

Partners for Change – Ethiopia. A new project: Women2Women in Gende Tesfa, Village of Hope, a leprosy community in a famine area, will train women to start their own business with a loan of £100 each, which, when repaid after 2 years, will be used to support another woman and so on. The project will help very poor families work their way out of extreme poverty.

KATE PHIZACKLEA
We congratulate Kate on her appointment as Visitor Services Co-ordinator at the Museum of Archaeology andAnthropology. Kate has presided over the office here at Great St Mary’s for six years, with warmth, efficiency and creativity. She has supervised the move to a new office after the development, and built up our ministry with events, concerts and visitors. The Museum is fortunate to gain the services of such a talented new staff member. We give Kate our thanks and love as she goes to an exciting new position. She leaves at the beginning of June.
